Deloitte
India

Dear Hiring Manager,

I am writing to express my interest in the Analyst-Trainee role at Deloitte. I am a senior year undergraduate student at Vignan's Institute of Information Technology, majoring in Computer Science and Engineering. I have a strong passion for Web development and Python Development and Contributing to Open Source. I am also eager to learn from the experts at Deloitte.

I have been developing web applications using Python, HTML, CSS, and JavaScript, ReactJS, MongoDB, NodeJS, for over two years. I also love to explore Java Script and have been using it since my Freshmen Year.

I have learned how to use Git and GitHub and have strong CS fundamentals like OS, DBMS, Computer Networking. I have keen interest in Low-Level Architecture and Logic Building. By working on Multiple projects especially with GIT I have learnt much about team work, and Merging issues that might occur in workspace.

The passion for Python and Competitive Programming has driven me to develop FastCp, a Python module that helps competitive programmers that contains methods and functions for easy Competitive programming. Many of my juniors and freshman have been using it to explore and understand competitive programming and I have been receiving good feedback about it. I have published it at PyPi Org ([Link](#))

I am interested in the Analyst-Trainee Role at Deloitte because, I love to think about different ways to solve problems and diversifying my thought process to make something good out of it. I have always loved to use Python and JavaScript since my Freshmen year and want to explore the potential together. I would love to work at Deloitte and contribute my part for the Organization. I am confident that I am a good fit for this role.

I am excited about the opportunity to bring my skills and passion for Python development and competitive programming to the Analyst-Trainee role at Deloitte. I am confident that I can make a positive impact on the organization and contribute to its success. I would welcome the opportunity to discuss my application with you further and learn more about how I can contribute to your team.

Thank you for considering my application. You can reach me at +916303581672 or avinashdoddi01@gmail.com.

Thank you for your consideration.

Sincerely,

Avinash Doddi
